

Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool
Revised October 2020

Commissioned by

Department for Education

Created by

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2021:

- Baseline assessments of basic fundamental skills (ABC, agility, balance and coordination) across the school
- Opportunities to set more personal goals
- Develop swimming across YR4-6 to improve % of YR6 meeting the national curriculum requirements
- Embed the sports academy into KS2
- Work to improve basic fundamental skills in FS-KS1
- Further develop links with local clubs and identify pathways for our children to access additional training and support
- Develop a talent spotting process to create a pathway to local clubs
- Continue to develop new after school opportunities as well as new curriculum opportunities including cricket, table tennis, archery and volleyball
- Re-establish the Sports Academy for YR3/4/5
- Ask children what sports they would like to access in school
- Re-establish the sports council linked to the school council to provide student voice
- Assess running ability using timing equipment on the playground

Areas for further improvement and baseline evidence of need:

- Establish a 'Sports Personality of the Year' event to celebrate the children's successes both at school and outside achievements
- Develop basketball at playtime/lunchtime and taught as a curriculum sport. Establish a after school club at the Pearson Centre
- Increase opportunities to learn about Healthy Living and mindfulness
- Continue to develop table tennis across the school using new tables (indoors and outdoors)
- Encourage a half termly PARK RUN with families and children
- Bring inspirational sports people into school to share their journeys with the children
- Provide CPD opportunities for staff in handball, dance and cricket
- Provide playtime, lunchtime and after school clubs to increase time spent being active each day
- Continue to promote skipping across the school by providing new ropes and inspire days
- Introduce yoga and drumming and continue judo sessions at lunchtimes

Did you carry forward an underspend from 2019-20 academic year into the current academic year? YES/NO * Delete as applicable

If YES you <u>must</u> complete the following section If NO, the following section is <u>not</u> applicable to you

If any funding from the academic year 2019/20 has been carried over you MUST complete the following section. Any carried over funding MUST be spent by 31 March 2021.

Academic Year: September	Total fund carried over:	Date Updated:
2020 to March 2021	£15,000	24.02.21

2020 to March 202	21 215,000			
		ment in health and fitness activit	ies across the school from F1-	Total Carry Over Funding:
YR6 with those already in scho	ool and those returning to s	chool in March		£15,000+£250 from this
				years budget
Intent	Im	plementation	Impact	
Your school focus should be clear how you want to impact on your pupils.	Make sure your actions to achieve are linked to your intentions:	Carry over funding allocated:	Evidence of impact: How can you measure the impact on your pupils; you may have focussed on the difference that PE, SS & PA have made to pupils reengagement with school. What has changed?:	Sustainability and suggested next steps and how does this link with the key indicators on which you are focussing this academic year?:
Quality first teaching of gymnastics throughout the school to encourage physical development	Replace old gymnastic equipment in KS1 and KS2 to provide light functional equipment, mats an adequate storage to kee new equipment safely.	including replacement benches, balance beams, 6 graduated tables in KS1 and	Gymnastics lessons will be taught across the school from FS-YR6 using this new equipment. Planning will be facilitated by the iMoves platform so that lessons will be progressive and assessed using the PITA (point in time assessments) linked to the lesson plans. This will chart the development of basic gymnastics skills throughout the school starting from the baselines established when all children return to school	The equipment will provide sustainability going forward as it is light weight and will allow the children to move the equipment with adult support. It is also brightly coloured and attractive and will help to encourage the children to take part and provides height challenges.
We want to ensure our youngest children make a good start to their physical and health education	Provide equipment that wi encourage the developmen of both gross and fine moto skills	£392.46 allocated for basketball hoop, reaction	New equipment is now available for the children to use as they return to school. Records of the children's progress in PD are maintained for all children	Children are provided with engaging activities and equipment so that they are keen to take part in physical activity going forward.

Provide new experiences for those children who may not readily engage in PE	New sport of archery is to be added to the wide range of sports we offer at John Clifford (golf, table tennis both indoors and outdoors, handball and croquet)	£669 for 10 sets of bows and arrows	Offer opportunities when the sports academy can re-start to support disengaged children so that they can take part in less physical but high skill activities. Record engagement and attitudes to sport before and after taking part in activities	We aim to develop pupils who will be physically active and who can flourish in a range of different physical activities achieving their true potential. We aim to deliver high-quality teaching and learning opportunities that enables all children to achieve their personal best, whatever they may be, through developing knowledge, skills and competences in line with our Equality curriculum, reflecting the diverse backgrounds of our children.
Maintaining good quality equipment and replacing worn out or dangerous equipment	Children need to have excellent facilities and equipment during PE lessons and at other times where there are opportunities to be physical	£2,151.95 (inc balls netball, football, basketballs, new tennis rackets and sponge balls, foam javelins, new goal nets, football goals for new playground, handballs, vortex howlers, hoops, bean bags, ball rebounder)	High quality PE lessons will be taught across the school from FS-YR6 using this new equipment. Planning will be facilitated by the iMoves platform so that lessons will be progressive and assessed using the PITA (point in time assessments) linked to the lesson plans. This will chart the development of basic physical skills throughout the school starting from the baselines established when all children return to school	Children are provided with engaging activities and equipment so that they are keen to take part in physical activity going forward.
Membership in Broxtowe Active Schools organisation	We provide opportunities for all children to participate in a variety of competitive sports as part of BAS (Broxtowe Active Schools) and the South Broxtowe Sports Association.	£1950.00 fee 2020-2021	We intend that all children have the opportunity to represent the school in a range of activities (cross country, orienteering, handball, football, netball, basketball, table tennis, inclusive festivals, balance and coordination festivals (KS1) croquet, indoor rowing to name a few)	Evidence of the impact of our PE curriculum can be seen through the John Clifford website www.johncliffordschool.co m/Key information/PE and Sports Premium, the PE Action Plan, Governors' reports, and the Junior Leadership Health and Well-being committee group meetings minutes.

After school club provision for summer term	It is our intent to employ experts in different sports (cricket, handball, tennis, skipping, table tennis and basketball) to learn from their skills, work ethic and demonstrations of good practice.	£1,497.50 for cricket curriculum coaching and staff CDP as they work alongside JA from NCC for the summer term and after school provision for UKS2. Also, table tennis coaching from MH as part of an afterschool club for the summer term also.	Provide high quality cricket coaching and after school opportunities in YR5 to hopefully provide a cricket team in 2022	Children are provided with engaging activities and equipment so that they are keen to take part in physical activity going forward.
Develop skipping across the school from FS-YR6 as a kick start to improving fitness levels in all children	It is our intent to employ experts and Dan the skipping man will be returning to our school in May to run workshops from F1-YR6 over 2 days	£1,575 has been spent buying a skipping rope for every child in school to encourage skipping opportunities at home	We can again baseline the children during the skipping workshops to discover who can and can't skip and then reassess at t later point when the children have received the training and have been given their own skipping rope to develop and improve their skills and fitness levels.	We aim for all children to be physically active for sustained periods of time during and after school and for them to be able to make informed decisions to help them lead healthy and active lives. Above all we want our school community to enjoy physical activity and encourage them on a journey to life-long involvement in sport and to achieve physical and mental well-being through a healthy lifestyle.
Staff CPD support	Outdoor learning opportunities to be supported by the Sports Premium funding	£93.64 Curriculum books for KS1/LKS2/UKS2	High quality outdoor learning lessons will be taught across the school from FS-YR6 using this new resource	Children are provided with engaging activities and equipment so that they are keen to take part in physical activity going forward.
New after school club CHESS	New sport of chess is to be added to the wide range of sports we offer at John Clifford	£155.50 10 chess sets	We intend that all children have the opportunity to represent the school in a range of activities	Children have the opportunity going forward to learn to play a high skill game

Meeting national curriculum requirements for swimming and water safety.	
N.B Complete this section to your best ability. For example, you might have practised safe self-rescue techniques on dry land.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.	85%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	69%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	78%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21	Total fund allocated: £19,300	Date Updated	i: July 2021]
Key indicator 1: The engagement recommend that primary school pup	Percentage of total allocation:			
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
We aim to develop pupils who will be physically active and who can flourish in a range of different physical activities achieving their true potential	Provide bags of equipment for the children to access in their bubbles at lunchtime and playtime Including throwing and catching equipment, skipping ropes, hoop and balls to practise shooting skills		Whole school had the opportunity to access PE equipment at playtimes and lunchtimes to maintain and develop basic skills	Standing order in school budget to replace basic PE equipment
YR4 access `Active Learning'	Notts County Football club provided classroom based and playground based healthy eating and fitness sessions for the YR4 children and an after school multiskills club	£0	All YR4 children received a six week block of healthy eating information along with fitness sessions 16 children attended the after school club	Signed up for next year's sessions
Daily Mile	Children use the daily mile track to develop their running fitness as part of the JC triathlon core offer	£0	Running fitness of the children has developed over the time back in school Fitness assessments will take place after the holidays	New playground is being developed with new running track marked out

from FS-YR6 as a kick start to improving fitness levels in all children	and Dan the skipping man will be returning to our school in May to run workshops from F1-YR6 over 2 days	been spent buying a skipping rope for every child in school to encourage skipping opportunities at home	We can again baseline the children during the skipping workshops to discover who can and can't skip and then reassess at t later point when the children have received the training and have been given their own skipping rope to develop and improve their skills and fitness levels. % of children who can skip in all year groups of the school increased by 38%	We aim for all children to be physically active for sustained periods of time during and after school and for them to be able to make informed decisions to help them lead healthy and active lives. Above all we want our school community to enjoy physical activity and encourage them on a journey to life-long involvement in sport and to achieve physical and mental well-being through a healthy lifestyle.
walk or cycle to school	with 91% of the children arriving at school under their own steam	Streets packs	86% of children walked, scooted or cycled to school during the week	Run events again in the future possibly looking at a whole year project.
to be trained as sports leaders for the next academic YR1 and YR5			16 children have received training to support activity at playtime and lunchtimes next academic year	Ongoing provision
Key indicator 2: The profile of PES	SPA being raised across the school	as a tool for who	ole school improvement	Percentage of total allocation:
				0%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

Sports for Champions' where an Olympic athlete visits and works with the children Sports week (29th June) Children to experience and participate in a range of sporting activities and to try out new sports.	first embarked on a mission to educate, enable and empower children in partnership with pro/para athletes and Team GB Olympians. Linked to inter hive sports days (FS, KS1, KS2) a whole week of	£0	Every child in the school takes part in a sponsored fitness session (F1-YR6) £3100 raised for Sports for Champions and the school fund (see website for photos and more details) 100% of the children (F1-YR6) in school participated in a sports day comprising of a round robin skills session and traditional sports day events (running, sack, egg and spoon and obstacle)	Annual event
Parents and children are informed of sporting events and	Table tennis Basketball Tag rugby Cricket Section on the website dedicated to providing evidence of the sports premium impact.		Celebrate the sporting events and successes of the children Inform the community and Governors of where the money is being spent and the impact it has on the school and pupils.	Ongoing
Schools organisation	1	£1950.00 fee 2020-2021	All competitions did not take place this year except YR5 cricket competition	Evidence of the impact of our PE curriculum can be seen through the John Clifford website www.johncliffordschool.com/K ey information/PE and Sports

			Premium, the PE Action Plan, Governors' reports
Inclusive sport wheelchair sports	To encourage understanding of disability sport we invited Ellie Breakwell an up and coming wheelchair tennis athlete to visit the school. She provided 10 wheelchairs so that the children and staff could experience playing tennis in a wheelchair	Children experienced playing tennis in a wheelchair and they heard about the challenges of being a disabled sportsperson but also the opportunities that are available	
Raise the profile of sport across the school with the use of well-being and sports assemblies	Children found out about the power of sport to inspire and to support mental health and wellbeing. Themes of assemblies included the history of the Olympics, stories of Jesse Owen and Eric Liddell		Assemblies with sporting themes to continue

Key indicator 3: Increased confide	Percentage of total allocation:			
				10%
Intent	Implementation		Impact	
Your school focus should be clear	Make sure your actions to	Funding	Evidence of impact: what do	Sustainability and suggested
what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	achieve are linked to your intentions:	allocated:	pupils now know and what can they now do? What has changed?:	next steps:
Gymnastics CPD YR3 and FS NQT and YR4 teacher received half a term support	Teachers identified gymnastics as being an area of concern. Support was needed for teaching progression from floor work to the apparatus.	£1000 CPD	These teachers are now much more confident to teach gymnastics and to use the apparatus	This training will continue next term to support the 2 new NQT teachers and a third new teacher who are joining the staff
Develop the confidence and knowledge of staff to teach tennis	Teachers had the opportunity to watch a professional tennis coach teach the YR3 children.	£0	Teachers had 4 sessions to observe the development of tennis coaching with their children and their skills have developed as a result of this	The school will continue to develop its links with the Nottingham Tennis Centre
Active maths and English sessions training from BAS	This was cancelled due to COVID	DNH		

Staff need to be confident in their subject knowledge and have access to quality planning provided by iMoves a learning platform. The platform also provided activities for the children during lockdown		£697 subscription	Observed lessons showed clear use of support materials and planning	We hope to continue using this learning platform in the future
Staff wanted TAs to receive training to help develop the children's basic ABC skills to help with gross and fine motor development	through curriculum sessions with	was open	TAs are more confident to support children in activities to help develop their fine and gross motor skills	This program will continue next year so that more TA staff can be trained int eh Fundamentals and ABC skills
Key indicator 4: Broader experience	e of a range of sports and activitie	s offered to all p	upils	Percentage of total allocation:
				7%
Intent	Implementation		Impact	7%
Intent Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Implementation Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Impact Evidence of impact: what do pupils now know and what can they now do? What has changed?:	7% Sustainability and suggested next steps:

Basketball coach to provide after school club for YR6 pupils first half term and YR4 pupils 2 nd half term	BB coaching in an after school club was provided for YR6 and YR4 pupils for 12 weeks	£540	32 children developed their skills and love of the game. BB is played at playtime and lunchtime by a range of pupils	run curriculum sessions from
Cricket CPD for staff and after school club provision for summer term	in different sports (cricket, handball, tennis, skipping, table tennis and basketball) to learn from their skills, work ethic and demonstrations of good practice.		Provide high quality cricket coaching and after school opportunities in YR5 to hopefully provide a cricket team for a competition in the Summer term All YR6 and YR5 children received half a term cricket coaching along with the staff members	Children are provided with engaging activities and equipment so that they are keen to take part in physical activity going forward.
To provide table tennis coaching from MH as part of an afterschool club for the summer term also.	Table tennis coaching for YR5 SUM1 and YR2 SUM2	£360	32 children received high quality table tennis after school opportunities	This is part of a program to develop table tennis
To provide tag rugby coaching as part of an afterschool club for the summer term also.		£180	32 children received high quality tag rugby after school opportunities	This is part of a program to develop tag rugby
To provide a Gymnastics after school club	SUM1 and YR1 SUM2	£595	40 children received high quality gymnastics after school opportunities	
Provide new experiences for those children who may not readily engage in PE	New sport of archery is to be added to the wide range of sports we offer at John Clifford (golf, table tennis both indoors and outdoors, handball and croquet)	of bows and arrows	sports academy can re-start to support disengaged children so that they can take part in less physical but high skill activities. Record engagement and attitudes to sport before and after taking part in activities	We aim to develop pupils who will be physically active and who can flourish in a range of different physical activities achieving their true potential. We aim to deliver high-quality teaching and learning opportunities that enables all children to achieve their personal best, whatever they may be, through developing knowledge, skills and

				competences in line with our Equality curriculum, reflecting the diverse backgrounds of our children.
Quality first teaching of gymnastics throughout the school to encourage physical development		graduated tables in KS1 and KS2 halls, replace damaged	Gymnastics lessons will be taught across the school from FS-YR6 using this new equipment. Planning will be facilitated by the iMoves platform so that lessons will be progressive and assessed using the PITA (point in time assessments) linked to the lesson plans. This will chart the development of basic gymnastics skills throughout the school starting from the baselines established when all children return to school	
Provide opportunities for children to learn to ride a bike and take the cycling proficiency test	Book in First Grade Sport to run three days of cycling sessions leading to Level 1 and Level 2 cycling proficiency Part of the JC triathlon offer		98% of YR5 children accessed the cycling and 7 children learnt to ride a bike who couldn't before the session	Booked in for next year in YR5 with YR6 who did not pass being able to access more sessions

To provide curriculum support and an	The Highfields croquet club	£0	7 JC children have signed up for	Ongoing links with the croquet
after school club to feed players into	provided a taster session for YR6		the croquet summer school	club
the local youth croquet set-up	pupils and then an after school			
	session.			

Key indicator 5: Increased participation in competitive sport				
Implementation		Impact	9%	
Make sure your actions to	Funding	Evidence of impact: what do	Sustainability and suggested	
achieve are linked to your intentions:	allocated:	pupils now know and what can they now do? What has changed?:	next steps:	
children to take part in a inter	hire to the	17 YR5 children enjoyed participating in the event	We will be invited to participate next year	
Events took place in SUM2 with inter hive competitions	£0	100% of the children were able to compete in the sports days with everyone winning stickers for places and participation	Annual event	
YR6 children receive top up sessions and water safety training	£1512	Over 85% of YR6 children can swim at least 25m with 78% of children being able to complete safe self-rescue in different water-based situations		
	Implementation Make sure your actions to achieve are linked to your intentions: Provide an opportunity for 17 YR5 children to take part in a interschool cricket competition Events took place in SUM2 with inter hive competitions YR6 children receive top up sessions and water safety training	Implementation Make sure your actions to achieve are linked to your intentions: Provide an opportunity for 17 YR5 children to take part in a interschool cricket competition Events took place in SUM2 with inter hive competitions YR6 children receive top up sessions and water safety training ### 1512	Implementation Impact Make sure your actions to achieve are linked to your intentions: Funding allocated: Evidence of impact: what do pupils now know and what can they now do? What has changed?: Provide an opportunity for 17 YR5 children to take part in a interschool cricket competition 17 YR5 children enjoyed participating in the event Events took place in SUM2 with inter hive competitions £0 100% of the children were able to compete in the sports days with everyone winning stickers for places and participation YR6 children receive top up sessions and water safety training £1512 Over 85% of YR6 children can swim at least 25m with 78% of children being able to complete safe self-rescue in different
