### **Year 4 Multiplication Tables Check**

Dear Parents and Carers,

As you will be aware, the Year 4 children are busy working on improving their recall of the multiplication tables up to 12 x 12. In June, all Year 4 children nationally will take an assessment that tests their recall of these facts.

Knowledge of the times tables is essential to maths fluency in Year 5 and 6, as well as secondary school and beyond.

You can support your child by practising times tables with them at home. Playing on Times Tables Rock Stars (we would suggest around 5-10 minutes at least three times a week) will quickly build fluency and recall of these facts. Practising using pencil and paper, songs, chants and card games is also useful. You will find the times tables square and your child's login for TT Rock Stars on the maths pages of their communication diary. There are also multiple useful resources on The School Run website:

[Times tables worksheets](#) | [Ktimresources](#) | [TheSchoolRun](#)

Government information about the Multiplication Tables Check can be found here:

<https://www.gov.uk/government/collections/multiplication-tables-check>

We will be holding a meeting on **Tuesday 22<sup>nd</sup> April 2025** at **3:30pm** to give you further information about the check, how it will be carried out and what additional support is available to help your child. The information will be made available on the website after the event if you are unable to attend.

Kind regards,

Miss Joynes (Maths Leader), Miss Padhiar and Mrs Colt
