World Culture Day Celebration – Wednesday, 21st May 2025

Dear Parents/Carers,

Every year, UNESCO leads the celebration of World Day for Cultural Diversity for Dialogue and Development, highlighting not only the richness of the world's cultures, but also the essential role of intercultural dialogue for achieving peace and sustainable development.

To celebrate World Culture Day this year, we would like to invite members of our wider school family and community to come and share either information about an aspect of their culture and/or identity. This may be crafts, music, clothing or pictures so that our children get the opportunity to see the rich diversity that exists within Beeston.

The event will take place on **Wednesday, 21st May** and will involve a variety of stalls being set up in our school hall where children can come and have a look around and talk to members of the community.

We need parents, carers and members of the community to host stalls that represent their culture and/or identity. The stalls could include traditional clothing, items for display, quick craft activities, music, dancing, facts, books and other interesting artefacts. This celebration is not only limited to heritage, if you have a particular craft, skill, information about being eco-friendly that you would like to display and show the children, this is also welcome.

If you'd like to be involved in this celebration, please can you get in touch with Miss Daniel, Mrs Waring or contact the School Office at office@johnclifford.school.

Yours sincerely,

Miss Daniel
Assistant Headteacher, English Lead and Curriculum Curator
