7th May 2025

FAO Year 2

Sex and Relationships Education (SRE) Letter

Dear Parents and Carers,

Throughout school, we have covered a range of different PSHE topics over the year. During the final half term of the school year, the whole school topic will be 'Health and Wellbeing', focusing on our bodies and minds. **As a part of this, children in Year 2 will be taught the names of body parts during the W/C 2nd June 2025.** We aim to ensure that your child is provided with the knowledge and awareness around this topic, using age-appropriate resources, before they leave primary school, as outlined in the National Curriculum.

What do the children learn?

- In Year 2, the children will learn the names of body parts, including private areas.

The lesson objectives can be found at the bottom of this letter. No videos are used in the teaching of Sex Education. The subject is taught using age-appropriate drawings and representations.

Sex Education is not statutory, and parents/carers may choose to withdraw their child. If you have any questions about this curriculum, please do get in touch with your child's Class Teacher or Mrs Waring, who will be able to support you with any queries.

If you wish to withdraw your child from SRE lessons, withdrawal must be made in writing to Mrs. Waring before no later than 9am Monday 19th May. This can be handwritten or typed, and either handed to the School Office or emailed to janine.waring@johnclifford.school

We truly feel that these lessons are beneficial to all children as they begin to develop into young adults and feel that an honest and open approach to the vocabulary that will be covered will support them in feeling confident in asking questions and gaining a clear understanding of the changes that they will be or are going to go through.

Yours sincerely

Janine Waring
