John Clifford School Hives

Dear Parents and Carers,

As you will know, your child is part of a school Hive and each week, Blue, Red, Yellow and Green Hive compete against each other to gain the most Hive Reward Points or Bee Tokens. We count these up and celebrate this on a Friday as part of our Star Assembly. The children love it and relish the high points and praise. To encourage inter school activity further, we want to bring a greater sense of belonging to the Hive system, making it easy to identify and feel proud of what each Hive can achieve. At present, this is best achieved through sport and so we are pleased to announce that your child will be shortly bringing home a coloured t-shirt that represents the colour of their Hive.

This t-shirt is to replace their white PE t-shirt and must be worn for PE in school. We have chosen to put families together in the same Hives to ensure that t-shirts can be passed on to siblings as the years go by. There is no cost for this first t-shirt but going forward any subsequent Hive coloured t-shirts will need to be replaced by yourselves as you would the current PE kit. We have chosen common colours to make the replacement as easy as possible as most supermarkets and cheaper online stores stock t-shirts in a variety of colours.

We will be updating our School Uniform Information and web page to reflect this change.

Kind regards,

Stephanie Keeling
